

**CALIFORNIA AIR RESOURCES BOARD
K- 16 PRESENTER PROGRAM**

DISCLAIMER

The California Air Resources Board's (ARB) K-16 Presenter Program is a voluntary program whereby interested staff subscribe to an internal List Serve and receive requests after the interactive "Request Form for ARB K-16 Presenter" is completed. Participation depends on several factors including location, availability, relevance, project load, and manager approval.

The internal List Serve is dynamic in that staff subscribed to the List Serve may change over time. The ARB shall not be responsible for any errors or omission of information in the "Request Form for ARB K-16 Presenter" and reserves the right to make changes to its format and content without prior notification. Please read the **CARB Information System Policies/Disclaimers** for further provisions.

If you have any questions about the ARB K-16 Presenter Program, please contact Edward Wong at 916-322-6925, or ewong@arb.ca.gov. Your comments and suggestions are greatly appreciated.
